

ACCIDENTS

INSURANCE COVERAGE

The following statements adhere **only** when Motorlease Corporation is providing the insurance on the leased vehicle.

1. Who may drive your Motorlease car?

The use of vehicle is limited to persons twenty-six (26) years of age or older, unless that person is either a permanent full-time employee of Lessee, or the spouse of such employee. For this provision, a full-time employee is one who works at least 35 hours per week for 40 weeks of the year. No drivers under the age of 21 are allowed.

2. Are personal items stolen from the car covered?

No, but these items may be covered under the driver's Homeowner's or Tenant Policy.

3. Where may my Motorlease car be driven?

Anywhere in the continental U.S. If you go to Canada, contact our office for a Canadian Insurance ID Card. Motorlease insurance does not cover operating your car in Mexico.

4. Does Motorlease insurance cover rental cars?

No, only your Motorlease car is covered. Unlike your personal policy, our insurance coverage stays with the car, not the driver.

All accidents, regardless of whose fault, or how small, must be reported to Motorlease within 48 hours, even if Motorlease does not provide insurance for your vehicle.

If Motorlease provides your insurance:

1. Remain at the scene of the accident and contact the local Police Department. If at all possible, take photographs of the damage on the vehicle(s) involved. Try to obtain a picture of the vehicle(s) with the license plate.
2. Fill out the accident form which is in the white envelope in your glove box and forward it to Motorlease immediately. If additional report forms are required, they can be found online at www.motorleasecorp.com, or you can advise Motorlease and we will supply them.
3. It is your responsibility to file any accident report forms that may be required by the state in which the accident occurred.
4. Obtain two written estimates of the damage to your car and forward them to Motorlease. We will advise you as to how to proceed.
5. Accident repairs are made only upon receipt of accident report forms.
6. Contact our Insurance Department for glass repair instructions.
